

NOTICE TO PUBLIC

Notice is hereby given to the public that the Grand Forks Regional Airport Authority intends to amend project 10-001 on application 15-10-C-00-GFK to impose and use a Passenger Facility Charge (PFC) at Grand Forks International Airport. The expiration date would be extended from September 1, 2020 to September 1, 2021. The total collection on the project is expected to increase from \$1,100,000 to \$1,200,000 based on a PFC of \$4.50 per enplanement. The application 15-10-C-00-GFK will increase from \$1,867,720 to \$1,967,720. The PFC funds will be used to acquire snow removal equipment. This project will enhance the safety and efficiency of the Airport Authority's snow removal operation during adverse winter weather conditions and preserve and enhance the safety and capacity of the national air transportation system.

PFCs are being collected on project 10-001, which is part of application 15-10-C-00-GFK to:

- Purchase/ acquire snow removal equipment for the runways.
- A re-assessment of snow removal equipment needs was performed, which identified a second, high speed runway broom as being a higher priority.
- Amendment will remove Chassis with Plow and Runway Sander and substitute with a High Speed Runway Broom.
