

Maintenance Specialist I

The Grand Forks Regional Airport Authority is seeking qualified candidates for the position of Maintenance Specialist: Duties in this position:

- Operates motorized heavy equipment and vehicles for mowing and snow removal operations.
- Maintains airport buildings and grounds;
- performs maintenance and repair of heating, ventilating, air conditioning, plumbing and electrical systems;
- Provides updates to supervisors as needed.
- Maintains and repairs airfield lighting systems and landing aids; maintains and repairs airfield runways, taxiways and aprons including painting, mowing, minor pavement repairs, crack sealing, weed control and drainage.
- Maintains airport streets and parking lots, including painting lines, repairing signs, lighting, pavement repairs and crack sealing.

Basic requirements are a high school diploma or GED, a valid driver's license with good driving record, and demonstrated evidence of experience in the above areas.

Employment with the Airport Authority is contingent upon an education/experience background investigation, a drug-screen, a fingerprint-based criminal history record check processed by the FBI, and the ability to be granted a security identification badge as mandated by the Transportation Security Administration.

The successful candidate must work non-traditional hours including nights, weekends and overtime. Starting annual wage range between \$36,785 - \$38,207 DOQ and experience, plus benefits and overtime. The Airport Authority provides a competitive benefits package.

Submit cover letter and resume to Manager of Operations/Maintenance, 2301 Airport Drive, Grand Forks, ND 58203; raudette@gfkairport.com . Position open until filled.
