

Grand Forks Regional Airport Authority Community Participation Plan (CPP)¹

1. Administration

The purpose of this CPP is to ensure that stakeholders or communities affected² by Grand Forks Regional Airport Authority (GFRAA) projects or operations can be informed and participate and have their input thoughtfully considered in the key stages during airport planning efforts, regardless of their race, color, national origin, sex, sexual orientation, gender identity, creed, age, or disability (hereafter, the “protected bases”). This plan is provided in accordance with Title VI of the Civil Rights Act of 1964 (Title VI) and related authorities.³ This plan and associated reports regarding our CPP efforts will be communicated to the public in formats accessible to persons with disabilities and to limited English proficient (LEP) individuals.

The individuals primarily responsible for implementing the GFRAA CPP are:

In addition, GFRAA will ensure that members of the public are advised of our nondiscrimination obligations. This includes how to file discrimination complaints with GFRAA and the FAA. We will also conspicuously display the FAA-provided Unlawful Discrimination Posters at airport facilities. See Notice section of GFRAA’s Title VI Plan.
